PM67	Ping Swivel Mount w/Collar for 30mm and 40mm Fixtures - Black

Description

The Ping Swivel Mount allows for a clean surface installation of the Precision Z, CP-7, and Gantom V2 lighting fixtures. This mount neatly hides the lighting fixture and all wiring into the space above. It has been designed to ensure the entire lighting fixture is hidden from view, eliminating the need for painting the fixtures before installation. For more information please contact quotes@gantom.com for pricing.
